

A modern, rectangular, wall-mounted outdoor light fixture. The fixture has a dark, possibly black or dark grey, finish. It features a curved top edge and a large, rectangular, illuminated surface that appears to be made of a textured material, possibly glass or a composite material. The light is mounted on a vertical wall, and the background is a plain, light-colored wall.

*Foot candle is a unit of measure of the intensity of lighting. Measured on a per square foot basis.
